# COLOR TRENDS – Make your world a little richer, inside and out.

## Color Trends Interior and Exterior Accent Colors offer a 20 Year Limited Warranty.\*

These high quality tint bases are available in a variety of sheens and are specifically designed for today's darker and deeper-toned accent colors.

**High solids** content offers maximum hide, durability, washability, and stain resistance.

**Exterior finishes** are formulated with 100% Acrylic Latex to provide superior adhesion and surface coverage, maximum durability, and excellent weather resistance and color retention.

**Interior finishes** are formulated to offer improved flow and leveling and excellent touch-up, and to provide a washable, mar-resistant finish.

## Ideal for use on a wide variety of surfaces:

### • Interior

New or previously painted walls, ceilings, doors, woodwork and trim, including wood, brick, drywall and plaster.

### • Exterior

Wood, masonry, tilt-up concrete, stucco, vinyl siding, unglazed brick and primed metal. Also recommended for asphalt, weathered asbestos shingles and properly prepared factory finished aluminum or metal siding.
